# SANTIAGO IS A STAR

"Santiago Michel's Ilusión Mental breaks new Vegas-entertainment ground."

LAS VEGAS  
**WEEKLY**

"¿Cuando fue la última vez que te sorprendiste?"

**El Tiempo**

"Mentalist Santiago Michel breaks new ground as the **ONLY** Las Vegas headliner with a show entirely in Spanish."

**Los Angeles Times**

"This show is different. None of the other shows do quite what Santiago Michel does. Michel is well-positioned to capitalize on a multi-generational, multi-lingual audience looking for something different in Las Vegas. With encouraging attendance and positive word of mouth spreading, Michel is living his dream, performing the mind-reading tricks he loves for audiences hungry for entertainment."

**Forbes**

"A Dashing Young Mentalist Debuts in the Strip's First Spanish-Language Residency I was able to follow Santiago Michel's suave banter and stunning feats of mentalism with an emphasis on mind reading. Ilusión Mental is a game-changer, as the show is equal parts sheer delight and downright how-did-he-do-that bafflement! The grade for his show has to be an A+

# THE MAN BEHIND THE MENTALISM

Santiago Michel stands as an enigmatic figure in the realm of entertainment, distinguished by a remarkable talent that transcends the ordinary. With the rare ability to read minds and emotions with astonishing clarity, Santiago has captivated audiences worldwide.

His global journey has seen him enchant over 250,000 spectators across 18 countries, including an unprecedented performance in Antarctica, marking him as a truly international sensation.

At just 29 years old, he holds the record for the most shows performed in Spanish by an entertainer in the entertainment capital of the world, Las Vegas. This city, recognizing his extraordinary contributions, has honored him by declaring June 21st as Santiago Michel Day.

As a former Las Vegas headliner, Santiago's unparalleled performances promise to transform any event into an unforgettable experience, demonstrating why he is the most incredible talent you're yet to discover.
